Identify major and minor scales ANSWERS

Write each scale's name below it: the tonic and the type (major, harmonic major, melodic major, Mixolydian, natural minor, harmonic minor, melodic minor and Dorian). Some have a key signature and others have the accidentals written before each note. Look at the clef first.

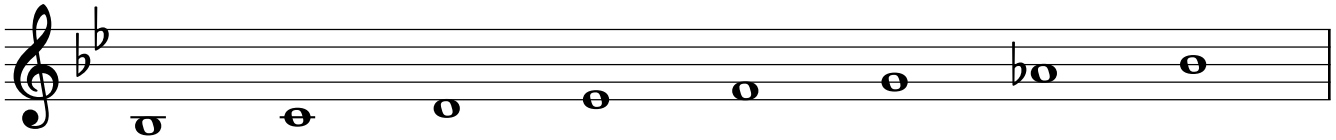

From easier to harder: key signatures with few accidentals in treble clef, then more accidentals and the bass clef.

1

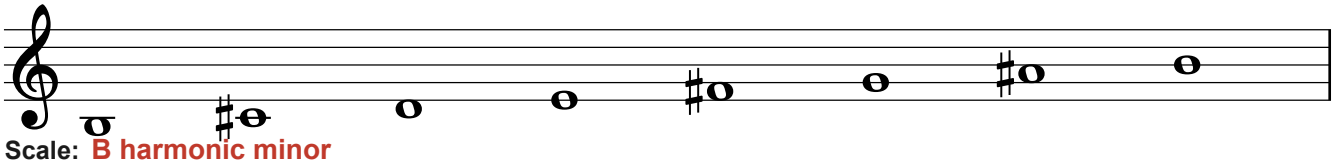

Scale: G major

2

Scale: B♭ Mixolydian

3

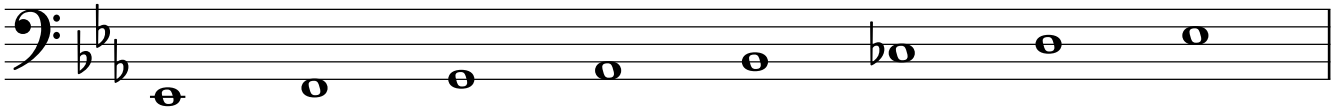

Scale: B harmonic minor

4

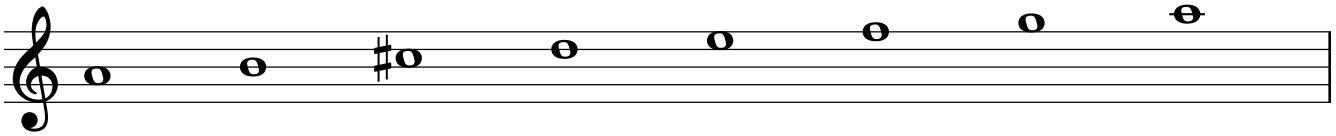

Scale: F melodic minor

5

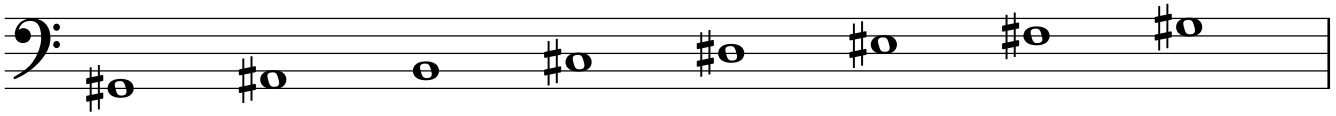

Scale: E♭ harmonic major

6

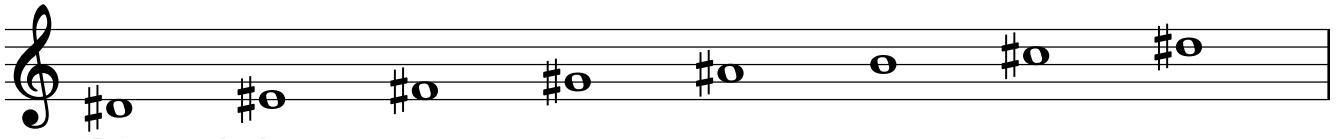

Scale: A melodic major

7

Scale: G♯ Dorian

8

Scale: D♯ natural minor
