Identify minor scales ANSWERS

Write each scale's name below it: the tonic and the type (natural minor, harmonic minor, melodic minor and Dorian). Some have a key signature and others have the accidentals written before each note. Look at the clef first.

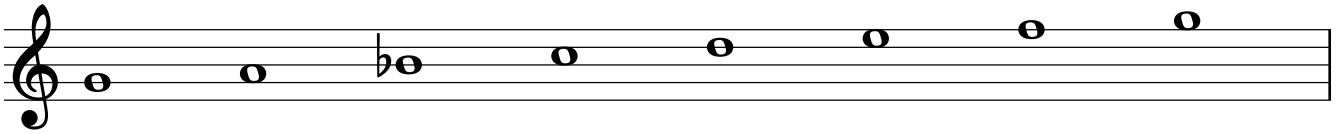

From easier to harder: key signatures with few accidentals in treble clef, then more accidentals and the bass clef.

1

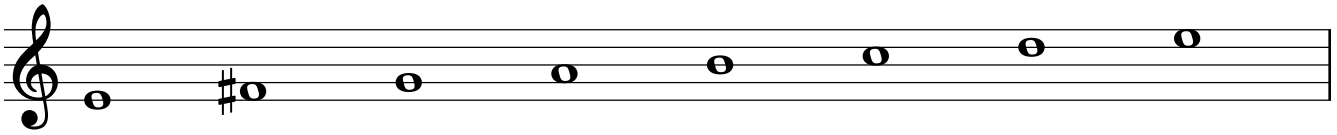

Scale: A harmonic minor

2

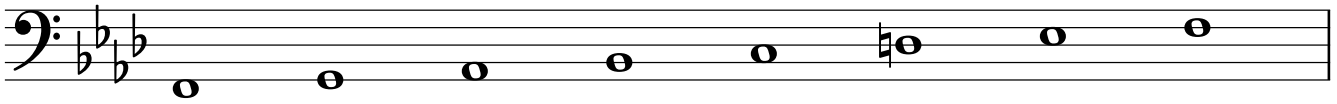

Scale: G Dorian

3

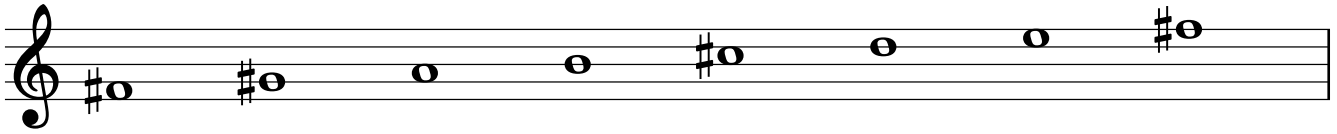

Scale: E natural minor

4

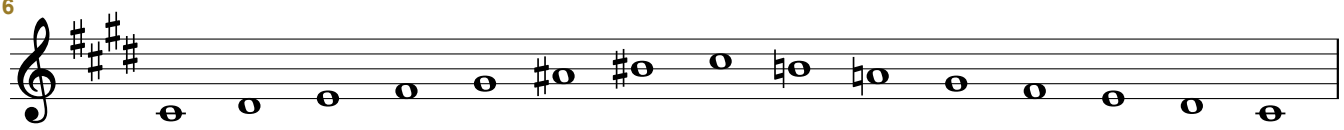

Scale: F Dorian

5

Scale: F♯ natural minor

6

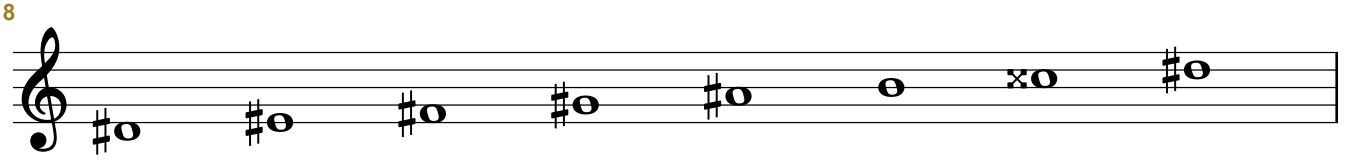

Scale: C♯ melodic minor

7

Scale: E♭ melodic minor

8

Scale: D♯ harmonic minor
