¿Qué compás es?
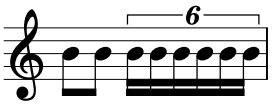

Cada compás está escrito sin su cifra y lleno de grupos de valoración especial. Simplifica cada grupo a la figura que equivale y escribe en la casilla el compás que le corresponde. Un 4/4 siempre se puede escribir también como 2/2, y un 2/4 como 4/8: en los dos casos, ambas cifras son correctas.
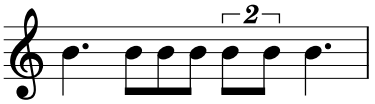

Nombre: Curso: Fecha:
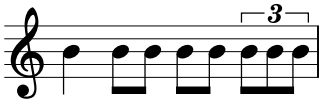

1. Fácil (un tiempo con grupo)
